PREAMBLE

This Agreement is made and entered into between Spokane School District No. 81, hereinafter referred to as the "District," and the Spokane Education Association, hereinafter referred to as the "Association," on behalf of the Secretarial/Clerical employees of the District.

The parties agree it is paramount that the District and the Association work collaboratively to address the challenge of improving the quality of public education. We have the best chance of meeting this challenge if we continue to work together. Focused and intentional work, guided by our mutual interests, will ensure that our students are prepared to lead productive lives in a democratic society.

The District and the Association are committed to the development of a trusting, respectful environment where the participation of all school employees in the work of improving student learning is encouraged and expected. Our joint efforts to develop trust and respect in the organization will focus on a strong commitment to:

- engage in open, honest, and appropriate communication
- share information, knowledge, and experience
- address concerns through collaborative problem solving
- refrain from making judgments until we have a clear understanding of the issues involved
- provide individuals with the opportunity to be involved in those decisions that directly affect their work situation
- value each individual in the organization and respect individual differences
- encourage innovation and risk-taking with a focus on the improvement of student learning

The Association and District believe in the value of identifying our mutual interests and working together to address those interests. A shared understanding of our common interests will allow us to maximize the personal, creative, and academic potential of each student and staff member in the school system.

We are committed to continued work on the following mutual interests:

Improved Student Learning – The Association and the District participate as equal partners in the responsibility to improve instruction and raise levels of academic achievement. We believe that all members of the education community share accountability for student performance. We understand that significant improvement in student learning will require changes in the traditional educational system.

In our commitment to improve student learning, we will continue to focus our collective efforts on building instructional capacity of all staff for the purpose of enhancing effective classroom instruction. All strategies used to improve student learning will align with this joint agreement between the Spokane Education Association and Spokane Public Schools.

Site-Based Governance – The Association and the District support efforts to decentralize the decision making structure so that decisions are made by individuals most impacted by them. We believe that site-based decision-making is a democratic approach to problem solving and planning which values consensus among teachers, educational support personnel, parents, administrators, and students. The focus of site-based decision-making is on the fundamental issues of school improvement. No decisions made by site-based governance committees may in any way alter or change the terms set forth in this bargaining agreement unless the waiver process as outlined in this agreement is followed.

Parent and Community Engagement – The Association and the District agree on the importance of engaging parents and community members in our schools in ways that connect them to student learning. We believe that parent and community support is key to maintaining an effective public education system in a democratic society. We will continue to look for ways to bring parents and community into our schools so that they develop a clearer understanding of educational issues. We value the contributions that parents and community members make to the educational process.

 - 3. The payroll deduction schedule will reflect higher monthly premiums for the "richest" medical plan and a premium cost-sharing plan comparable to state employees for the most recent benefit plan year.
 - 4. For purposes of this section, "richest" medical plan is determined by the full price of the medical plan.
- F. Eligibility. Employees who work at least half time ($\frac{1}{2}$) or more in a regular position are eligible to participate in District sponsored benefit plans.
 - 1. The District will use 1440 (Note: Adjusted by bargaining unit) hours for 1.0 FTE for the calculation of basic health benefits.

- G. An eligible employee and qualifying dependents must enroll within thirty (30) calendar days of the date when first eligible to qualify for employee benefits.
 - 1. If an employee has a change in family or employment status outside the annual open enrollment period, changes may be requested by completing the required paper work within thirty (30) calendar days of the qualifying event. Sixty (60) calendar days are allowed for births and adoptions.

2. Acceptance and approval of the changes made by an employee are subject to the terms and conditions of the master contract and plan description of the insurance carrier or the IRS rules and regulations.
- H. The District will also pay the monthly cost per FTE billed by the state for retirees' health benefits.
- I. Any additional District contributions during the life of this Agreement will be provided as a result of new legislation and/or modification of the state operating budget which authorizes and funds such improvement in the District contribution. Furthermore, benefits provided will be in accordance with state and federal rules and regulations. Sections that may prove to be out of compliance or may be amended or nullified by state or federal laws will be brought into compliance with the laws, rules, and regulations in effect. Compliance required will be communicated to the Association.
- J. Fringe benefit pooling practices will be in accordance with RCWs.
1. The District shall annually transfer the Minimum mandatory payroll deductions collected from employees to the benefit pool to reduce employee out-of-pocket costs.
- K. Employees shall have access to flexible benefits plan (under Section 125 of the IRS Code) for District designated benefits for all employees who qualify for health benefits.
- L. Employees will have access to purchase district-sponsored optional insurance benefits payable through the payroll deduction plan.
- M. The District shall provide automatic payroll deduction for health club fees at the employee's option.
- N. COBRA continued coverage and other extended coverage will be extended to all eligible employees as required by law, and/or carrier limitations.
- O. In accordance with state and federal law, employees have the opportunity to participate in a VEBA (a tax-free health reimbursement account) based on the outcome of the employee group vote conducted by the Association. VEBA funding options include: sick leave cash out at retirement, and annual sick leave sell back. If one (1) or more options are adopted by the employee group vote, all eligible employees in the group must participate. The Association will annually notify the District by November 15th of participation in the VEBA plan and the approved employee funding options. The Association's written notification to the District will constitute agreement of the parties for implementation of VEBA contributions until the next annual vote by the Association.
- P. Tax sheltered annuity and Washington State Deferred Compensation deposits shall be transferred by payday each month. Every employee participating in an annuity or the state's deferred compensation program will be provided notice of the date of transfer of his/her tax-sheltered annuity.
- Q. Retirement: Employees are eligible to participate in retirement in accordance with the rules and regulations established by the Washington State Department of Retirement Systems.

- C. To the extent that time limits are expressed in days, days shall refer to school days when school is in session during the student calendar, and actual business days during the summer.

Section 2 - Time Limits

- A. Grievances shall be processed as rapidly as possible; the number of days indicated at each step shall be considered as maximum, and every effort shall be made to expedite the process, except that any grievance shall be processed during the period in which the parties involved are available.
- B. A grievant must file a grievance within twenty (20) days of the alleged act or within twenty (20) days of the date of knowledge of the act, whichever is later.
- C. Grievances regarding assignment/transfer, will follow the steps described below:

 - 2. Once the grievance is filed it will be expedited.
 - 3. If the Superintendent or his/her designee rules in favor of the grievant, the grievant will be offered the position that was grieved. The employee originally selected for the transfer will be returned to his/her former position. If the grievant is denied the grievance, the grievant may appeal the grievance to arbitration. However, the transfer position will be permanently filled by the employee who was selected.
- D. Failure of either party to comply with the time limits set forth herein will serve to declare the grievance as settled based upon the last request made or last answer provided, and no further actions shall be taken.
- E. Time limits as specified herein may be extended by mutual concurrence of the parties; provided however, no request for extension of time limits shall be made by either party after the applicable time limits in any of the grievance steps have already expired.
- F. The parties agree not to use the concept of a continuing grievance.

Section 3 - Limitations of Grievances

Grievances based only on the Preamble shall be grievable only through Step Three of the grievance procedure contained herein. All other grievance limitations outlined in the Collective Bargaining Agreement remain in effect.

Section 4 - No Reprisals

There shall be no reprisals of any kind against any party in interest for reasons of participation in the grievance procedure.

- C. Step One of the procedure shall begin with the responsible administrator.

Section 6 - Grievance Processing Steps

A. Step One/ Informal

Within twenty (20) days of the alleged act or within twenty (20) days of the date of knowledge of the act, whichever is later, the employee shall request a meeting with their immediate supervisor/principal to discuss the potential contract violation and potential solutions. The parties acknowledge that it is most desirable for an employee and his/her immediate supervisor to resolve problems through free and informal communications.

- 1. This informal discussion will not be bypassed unless it is an Association or class action grievance.
- 2. Every effort shall be made to resolve the problem at this level in an informal manner.
- 3. An employee requesting such a meeting shall identify the subject of the concern.
- 4. If the complaint is not resolved it shall be moved to Step Two.

B. Step Two

If the complaint is not resolved it shall be reduced to writing by the grievant and submitted to the Principal or Supervisor within five (5) days of the response at Step One-Informal.

1. A written grievance should include the article, section, and the specific term(s) violated or misinterpreted the specific factual basis for the grievance, the relief sought and the grievant's name and signature.
2. Upon receipt, the Principal or Supervisor shall arrange a conference to discuss the written grievance.
 - a. The grievant and an association representative (if the grievant desires) will be present at the conference.
 - b. Human Resources or co-supervisors may also attend the meeting to assist in discussing a resolution.
 - c. If the Association is not in attendance, they shall be notified of the Step Two grievance meeting.
3. Within five (5) days following the conference, the supervisor will provide the grievant and the Association with a written response to the grievance. Such response will include the basis upon which the decision was based.

C. Step Three

In the event that the grievant is not satisfied with the disposition of the grievance at Step Two, he/she shall within five (5) days refer the grievance in writing to the superintendent or his/her designee.

1. The superintendent or designee shall meet with the grievant in order to discuss the grievance and possible resolutions.
2. The superintendent or designee shall provide the grievant with a written disposition of the grievance within five (5) days of such meeting.

D. Step Four

1. Mediation - The Association and the District may mutually agree to mediate the grievance through the Washington State Public Employment Relations Commission (PERC). Such request will be made to PERC within ten (10) working days after the Step Three decision. If the parties do not mutually agree to the mediation, the grievance will move to Step Five.

E. Step Five

1. Arbitration

The Association, at its sole discretion, may advance any grievance to final and binding arbitration which has not been resolved through the use of the above enumerated grievance steps and procedures and is not subject to the exclusions herein.

2. The Association will notify the other party in writing that the matter is to be submitted for arbitration.
3. Arbitrations shall be filed with either the American Arbitration Association (AAA) or the Federal Mediation & Conciliation Services (FMCS) within fifteen (15) days of receipt of the Step Three response, or Step Four if applicable.
4. The arbitrator shall be selected from a list provided by FMCS or AAA. The parties shall separately rank and strike the names of arbitrators on the list and return their list to the appropriate agency for final arbitrator selection.
5. The arbitrator to hear the case shall be chosen using the process described in the following section of this article.

The arbitrator shall follow the rules of the American Arbitration Association and/or the Federal Mediation & Conciliation Service and shall have no authority to extend, alter, or modify this Agreement or its terms. The arbitrator shall limit his/her findings and decision solely to specific terms of this Agreement and application of such terms herein set forth. The arbitrator shall have no power to extend or limit the Agreement beyond what the parties have agreed upon. The arbitrator shall be without power to award punitive damages.

The arbitrator shall make a written report of his/her findings of fact and decision including the basis in law, if any, for such decision, to the District, the Association, and the grievant within thirty (30) days after the final hearing is concluded.

6. The arbitrator's decision shall bind both of the parties. Both parties retain their usual right to seek legal relief regarding any arbitrator's decision.

Section 7 – Arbitration Costs

The District and the Association shall each bear its own expenses involved in the processing of a grievance. The two (2) parties shall share equally the cost of the arbitrator.

ADDENDUM A

ADDENDUM B – FAMILY AND MEDICAL LEAVE

A. Family and Medical leave

1. An eligible employee is entitled to a total of twelve (12) workweeks of family and medical leave during any fiscal year (September 1 - August 31). A regular employee shall first become eligible for family and medical leave following the adjusted anniversary of his/her date of hire. Employees other than regular employees shall be eligible, according to the eligibility provisions established in the family and medical leave act.
2. An eligible employee is entitled to family medical leave for:
 - a. the birth of a child and to care for such child.
 - b. the placement of a child with the employee for adoption or foster care that requires State action.
 - c. caring for the employee's seriously ill spouse, parent, child under eighteen (18) years of age or a child over age 18 who is "incapable" of self-care because of a mental or physical disability.
 - d. a "serious health condition" that makes the employee unable to perform her/his job functions.
3. For purposes of family medical leave:
 - a. "Incapable of self-care" means that he/she is incapable of performing several of the basic activities of daily life without the assistance of another person.
 - b. "Spouse" is defined in accordance with State laws. Unmarried domestic partners do not qualify for family medical leave to care for their partner.
 - c. "Serious health condition" covers conditions or illnesses affecting one's health to the extent that inpatient care is required or absences are necessary on a recurring basis or for more than a few days of treatment or recovery. Prenatal care is explicitly included; routine physical examinations are explicitly excluded.
4. If leave is taken for birth or placement for adoption or foster care and both spouses work for Spokane School District #81, the family medical leave that may be taken is limited to a combined total of twelve (12) workweeks, provided that any period of physical disability taken by the biological mother shall not be included in the twelve (12) week limitation.
5. Family medical leave shall be without pay for all or part of the leave. An employee may elect to use accrued sick leave to which he/she is entitled prior to going on unpaid family medical

leave. When requesting family and medical leave, the employee shall notify the District of his/her intention regarding use of accrued paid leave to which he/she is entitled.

Spokane School District No. 81 shall be responsible for maintaining coverage under any group health plan for the duration of such leave and under the conditions coverage would have been provided if the employee had continued in employment for the duration of such leave. If the employee fails to make timely payment of his/her portion of the premium, the District shall cease to maintain health coverage. Upon the employee's return to work, the employee's group health benefits will be restored to the terms that would have been provided if the employee had continued in employment for the duration of such leave.

If the employee fails to return from family medical leave the District may deduct from any sums owed to the employee for all premiums paid during the leave. Any amount not received by deduction, the former employee must reimburse directly to the District.

6. Family medical leave taken on an intermittent basis (such as working a reduced work-week) for purposes of birth or because of placement for adoption or foster care requires District approval. Leave to care for a seriously ill family member or because of the employee's own serious health condition may be taken whenever medically necessary. If an employee requests intermittent leave to care for a seriously-ill family member or for the employee's own serious health condition and the need for leave is foreseeable based on planned medical treatment, the District may temporarily transfer the employee to an available alternate position with equivalent pay and benefits. If the employee is qualified for the position and it better accommodates recurring periods of leave than the employee's regular job.
7. For part-time employees and those who work variable hours, the family medical leave entitlement is calculated on a pro rata or proportional basis. Employees not eligible for medical benefits will receive leave only.
8. Upon returning from family medical leave, the employee is entitled to be restored to the same position that the employee held when the leave started or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
9. An employee who plans to take family medical leave must provide the District with the written notice at least thirty (30) days in advance, unless the leave is not foreseeable, in which case the employee must notify the District as soon as possible.

Employees should consult with their supervisor when giving notice regarding planned medical treatments and make reasonable efforts to schedule the leave so as to not unduly disrupt the District's operations, subject to the approval of the health care provider.

The District may require certification (and subsequent recertification to support continuing leave) for medical leave and may require the employee to obtain a second medical opinion at

the District's expense. The District may also require periodic reports from an employee on family medical leave regarding the employee's status and intent to return to work.

10. The District may require instructional employees who request intermittent (or reduced) leave for planned medical treatment for more than 20 percent of the total number of days in the period during which the leave would be used to elect to:

a. take leave for a particular duration of time which is not greater than the duration of the planned treatment,

or

b. be transferred to an alternative position.

Instructional employees who request a period of leave near the end of an academic term may be required to continue taking leave until the end of the term.
