PREAMBLE

This Agreement is made and entered into between Spokane School District No. 81, hereinafter referred to as the “District,” and the Spokane Education Association, hereinafter referred to as the “Association,” on behalf of the Educational Support Specialist employees of the District.

The parties agree it is paramount that the District and the Association work collaboratively to address the challenge of improving the quality of public education. We have the best chance of meeting this challenge if we continue to work together. Focused and intentional work, guided by our mutual interests, will ensure that our students are prepared to lead productive lives in a democratic society.

The District and the Association are committed to the development of a trusting, respectful environment where the participation of all school employees in the work of improving student learning is encouraged and expected. Our joint efforts to develop trust and respect in the organization will focus on a strong commitment to:

- engage in open, honest, and appropriate communication
- share information, knowledge, and experience
- address concerns through collaborative problem solving
- refrain from making judgments until we have a clear understanding of the issues involved
- provide individuals with the opportunity to be involved in those decisions that directly affect their work situation
- value each individual in the organization and respect individual differences
- encourage innovation and risk-taking with a focus on the improvement of student learning

The Association and District believe in the value of identifying our mutual interests and working together to address those interests. A shared understanding of our common interests will allow us to maximize the personal, creative, and academic potential of each student and staff member in the school system.

We are committed to continued work on the following mutual interests:

Improved Student Learning – The Association and the District participate as equal partners in the responsibility to improve instruction and raise levels of academic achievement. We believe that all members of the education community share accountability for student performance. We understand that significant improvement in student learning will require changes in the traditional educational system.
In our commitment to improve student learning, we will continue to focus our collective efforts on building instructional capacity of all staff for the purpose of enhancing effective classroom instruction. All strategies used to improve student learning will align with this joint agreement between the Spokane Education Association and Spokane Public Schools.

**Site-Based Governance** – The Association and the District support efforts to decentralize the decision making structure so that decisions are made by individuals most impacted by them. We believe that site-based decision-making is a democratic approach to problem solving and planning which values consensus among teachers, educational support personnel, parents, administrators, and students. The focus of site-based decision-making is on the fundamental issues of school improvement. No decisions made by site-based governance committees may in any way alter or change the terms set forth in this bargaining agreement unless the waiver process as outlined in this agreement is followed.

**Parent and Community Engagement** – The Association and the District agree on the importance of engaging parents and community members in our schools in ways that connect them to student learning. We believe that parent and community support is key to maintaining an effective public education system in a democratic society. We will continue to look for ways to bring parents and community into our schools so that they develop a clearer understanding of educational issues. We value the contributions that parents and community members make to the educational process.

Section 4 – Benefits

A. Washington State Paid Family and Medical Leave (PFML):

      i. The full cost of the premiums associated with family leave benefits; and

      ii. Forty five-five percent (45%) of the cost of the premiums associated with the medical leave benefits. The District will pay the remaining fifty-five percent (55%) of the premiums associated with the medical leave benefits.

   b. The pay deductions become effective September 1, 2019 and will be reflected on the October 2019 pay warrant.

3. For the duration of this agreement, the District will use the state insurance as the carrier for the PFML.

B. School Employees Benefit Board (SEBB). The following provisions are presently in effect by the SEBB, and modifications made by the SEBB will be implemented as required by law. All of the provisions of this section shall be interpreted consistent with the rules and regulations
of the SEBB. If the Washington State Legislature changes provisions of the SEBB to allow for changes in employer contributions towards elective benefits or substantially changes the medical coverage provisions, either party can reopen this agreement for negotiations over the changes.

1. Beginning January 1, 2020, the District shall pay the full portion of the employer contribution to the school Employees Benefit Board (SEBB) for insurance program as adopted by the School Employees Health care Coalition agreement for all employees who meet the eligibility requirements outlined below. The employer contribution will be equal to the state funded allocation rate and will be paid throughout the school year. For purposes of benefits provided under the SEBB, school year shall mean September through August, and shall also be referred to as the eligibility year.

2. The parties recognize there may be unanticipated impacts due to the transition and agree to ongoing and timely information sharing and problem-solving discussions with the intent to minimize and mitigate negative impacts to staff during the transition period.

3. Employee payroll deductions for premiums and surcharges will be based on the policies and rate schedules established by the SEBB Program. The District will implement the School Employees Health Care Coalition agreement when establishing the employee rates which will be paid to the Health Care Authority (HCA) through payroll deduction for the month in which the employee receives benefits.

4. Benefits presently provided by the SEBB include but are not limited to:
   a. Basic Life and Accidental Death and Dismemberment Insurance (AD&D)
   b. Basic Long-Term Disability
   c. Vision
   d. Dental including orthodontia
   e. Medical

5. Employees are eligible to participate in the SEBB offered Medical Flexible Spending Arrangements (FSA) and Dependent Care Assistance Program (DCAP). Employees will also have the option of enrolling in a Health Savings Account (HCA) when a qualifying High Deductible Plan (HDHP) is selected for their medical insurance. In addition, employees will be able to utilize payroll deduction if available by SEBB for any supplemental insurance that they choose to enroll through SEBB (e.g., optional AD&D, Long Term Disability, etc.)

6. Dependent Coverage for the Purpose of SEBB.

   Subject to SEBB dependent verification requirements:
   a. Legal spouses, state registered domestic partners, children up to age 26 (biological and adopted children, children of the employee’s spouse or state registered domestic partner, children for which a court order of divorce decree created a legal obligation to
provide support or health care coverage) and children of any age with a developmental or physical disability who meet SEBB certification requirements.

b. Upon moving to the new plan, should an employee have dependents that were covered as of December 31, 2019 but who no longer qualify for coverage under the SEBB, the employee will have the opportunity to enroll these dependents at the employee’s cost for a period of up to 36 18 months in accordance with SEBB provisions and the opportunity to make such payments will be made through payroll deduction by the District and paid to the HCA for this purpose as long as the employee has sufficient net pay to cover the monthly cost.

7. Eligibility:

a. Employees, including substitutes, shall be eligible for full insurance coverage under SEBB if they work, or are anticipated to work, 630 or more hours in a school year. For the purposes of counting hours for eligibility, the year shall be from September 1 through August 31. All hours worked during the year shall count for the purposes of establishing eligibility.

b. When an employee is hired into a position that would qualify for benefits if filled for the full eligibility year, and there are not enough days remaining in the year to achieve 630 hours, and the employee is anticipated to work 630 hours during the following year, that employee will be provided benefits coverage if the employee will be working at least 17.5 hours each week for 6 of the last 8 weeks before the last day of school for those who work 9-10 months, or 6 of the last 8 weeks before the end of the year (August 31) for 11-12 month positions.

c. In accordance with the SEBB program, paid leave shall count towards the 630 hour used to determine eligibility for benefits under this section. An employee on approved leave under the federal Family and Medical Leave Act (FMLA) or the Washington State paid Family Medical Leave Program may continue to receive the employer contribution toward SEBB insurance coverage in accordance with the federal FMLA or RCW 50A.04.245.

d. For an employee on leave without pay who is no longer anticipated to meet the eligibility standard for employer paid insurance benefits by the end of the school year, the employee will have the option of self-paying premiums and applicable surcharges to the HCA in accordance with the SEBB continuation coverage option.

8. Benefit Enrollment/Start:

a. SEBB will provide an open enrollment period each year to allow employees to modify their benefit plan selection for the ensuring benefit plan year. The open enrollment period shall be established by the SEBB Program.
b. If an employee has a qualifying change in family or employment status, outside the annual open enrollment period, benefit changes may be requested in the manner and timeframe established by the SEBB Program.

c. An eligible employee must complete enrollment and dependent verifications within the required timeframe established by the SEBB Program.

d. In the event an eligible employee does not submit benefit enrollment information within the required timeline, the employee will be automatically enrolled in the employee only default plans for medical, dental, vision, basic life, AD&D, and basic long-term disability insurance, in accordance with the SEBB Program.

e. Benefit coverage will begin the first day of the month following the first day of work for eligible positions (per the Eligibility clause above), except during the month of September when the employee’s benefit coverage will begin in September on their 1st day of work if the employee is in an eligible position and the employee begins on or before the first school day in September.

f. Should an employee who previously was not expected to be eligible for benefits under SEBB works 630 hours in one year, the employee will become eligible for benefits to begin the month after attaining 630 hours. Should the employee meet the 630 hour eligibility mid-year for two consecutive years, the employee will be anticipated to work 630 hours going forward if in the same position and, therefore, be eligible for benefits under SEBB.

9. Continuity of Coverage: Employees previously employed by a SEBB employer and eligible for SEBB coverage in the month prior to their first day of work will have uninterrupted benefits coverage if they meet the eligibility requirements above.

10. Benefit Termination / End:

a. Any employee eligible for benefits who terminates the employee/employer relationship shall continue to receive benefits through the last day of the calendar month of employment, consistent with the SEBB provisions.

b. In accordance with SEBB provisions, when an employee eligible for benefits separates from employment after completion of the employee’s full contract obligation, the separation will be effective August 31. In cases when an employee provides notice of an alternate date, the District will provide the employee notification of the impact on benefit eligibility and coverage.

C. COBRA continued coverage and other extended coverage will be extended to all eligible employees as required by law and SEBB provisions.
D. In accordance with state and federal law, employees have the opportunity to participate in making VEBA contributions based on the outcome of the employee group votes conducted by the Association. VEBA funding options include: sick leave cash out at retirement, and annual sick leave sell back. If one (1) or more options are adopted by the employee group votes, all eligible employees in the group must participate. The Association will annually notify the District by November 15th of participation in the VEBA plan and the approved employee funding options. The Association’s written notification to the District will constitute agreement of the parties for implementation of VEBA contributions for the next calendar year. The election results remain in place for the entire calendar year.

E. Retirement: Employees participate in retirement in accordance with the rules and regulations established by the Washington State Department of Retirement Systems.

F. Tax sheltered annuity and Washington State Deferred Compensation deposits shall be transferred by payday each month. Every employee participating in an annuity or the state’s deferred compensation program will be provided notice of the date of transfer of their tax-sheltered annuity.

G. The District shall provide automatic payroll deduction for health club fees at the employee’s option.

   E. The time limits as specified herein may be extended by mutual concurrence of the parties; provided however, no request for extension of time limits shall be made by either party after the applicable time limits in any of the grievance steps have already expired.

   F. The parties agree not to use the concept of a continuing grievance.

Section 6 - Grievance Processing Steps

A. Step One/ Informal – Within twenty (20) days of the alleged act or within twenty (20) of the date of knowledge of the act, whichever is later, the employee shall request a meeting with their immediate supervisor/principal to discuss the potential contract violation and potential solutions. The parties acknowledge that it is most desirable for an employee and their immediate supervisor to resolve problems through free and informal communications.

1. This informal discussion will not be bypassed unless it is an Association or class action grievance.

2. Every effort will be made to resolve the problem at this level in an informal manner.

3. An employee requesting such a meeting shall identify the subject of the concern.

4. If the complaint is not resolved, it shall be moved to Step Two.

2. The superintendent or designee shall provide the grievant with a written disposition of the grievance within five (5) days of such meeting.

D. Step Four – Mediation — The Association and the District may mutually agree to mediate the grievance through the Washington State Public Employment Relations Commission (PERC). Such request will be made to PERC within ten (10) working days after the Step Three decision. If the parties do not mutually agree to the mediation, the grievance will move to Step Five.

E. Step Five – Arbitration

1. The Association, at its sole discretion, may advance any grievance to final and binding arbitration which has not been resolved through the use of the above enumerated grievance steps and procedures and is not subject to the exclusions herein.

2. The Association will notify the other party in writing that the matter is to be submitted for arbitration.
3. Arbitrations shall be filed with either the American Arbitration Association (AAA) or the Federal Mediation & Conciliation Services (FMCS) within fifteen (15) days of receipt of the Step Three response, or Step Four if applicable.

6. The arbitrator’s decision shall bind both of the parties. Both parties retain their usual right to seek legal relief regarding any arbitrator’s decision.

Section 7 – Arbitration Costs

The District and the Association shall each bear its own expenses involved in the processing of a grievance. The two (2) parties shall share equally the cost of the arbitrator.
ARTICLE XVII – DURATION AND SIGNATORY PROVISION

This Agreement is made and entered into between Spokane Public Schools of Spokane, Washington, the Employer, and the Spokane Education Association. This Agreement shall be in full force and effect beginning with the ratification by both parties and shall remain in full force and effect through August 31, 2022. ADDENDUM B – FAMILY AND MEDICAL LEAVE

A. Family and Medical Leave

1. An eligible employee is entitled to a total of twelve (12) workweeks of family and medical leave during any fiscal year (September 1 - August 31). A regular employee shall first become eligible for family and medical leave following the adjusted anniversary of their date of hire. Employees other than regular employees shall be eligible, according to the eligibility provisions established in the family and medical leave act.

2. An eligible employee is entitled to family medical leave for:

   a. the birth of a child and to care for such child.

   b. the placement of a child with the employee for adoption or foster care that requires State action.

   c. caring for the employee's seriously ill spouse, parent, child under eighteen (18) years of age or a child over age 18 who is “incapable” of self-care because of a mental or physical disability.

   d. a “serious health condition” that makes the employee unable to perform her/his job functions.

3. For purposes of family medical leave:

   a. “Incapable of self-care” means that they are incapable of performing several of the basic activities of daily life without the assistance of another person.

   b. “Spouse” is defined in accordance with State laws. Unmarried domestic partners do not qualify for family medical leave to care for their partner.

   c. “Serious health condition” covers conditions or illnesses affecting one's health to the extent that inpatient care is required or absences are necessary on a recurring basis or for more than a few days of treatment or recovery. Prenatal care is explicitly included; routine physical examinations are explicitly excluded.

4. If leave is taken for birth or placement for adoption or foster care and both spouses work for Spokane School District #81, the family medical leave that may be taken is limited to a combined total of twelve (12) workweeks, provided that any period of physical disability taken by the biological mother shall not be included in the twelve (12) week limitation.

5. Family medical leave shall be without pay for all or part of the leave. An employee may elect to use accrued sick leave to which they are entitled prior to going on unpaid family medical leave. When requesting family and medical leave, the employee shall notify the District of their intention regarding use of accrued paid leave to which they are entitled.
Spokane School District No. 81 shall be responsible for maintaining coverage under any group health plan for the duration of such leave and under the conditions coverage would have been provided if the employee had continued in employment for the duration of such leave. If the employee fails to make timely payment of their portion of the premium, the District shall cease to maintain health coverage. Upon the employee’s return to work, the employee’s group health benefits will be restored to the terms that would have been provided if the employee had continued in employment for the duration of such leave.

If the employee fails to return from family medical leave the District may deduct from any sums owed to the employee for all premiums paid during the leave. Any amount not received by deduction, the former employee must reimburse directly to the District.

6. Family medical leave taken on an intermittent basis (such as working a reduced work-week) for purposes of birth or because of placement for adoption or foster care requires District approval. Leave to care for a seriously ill family member or because of the employee’s own serious health condition may be taken whenever medically necessary. If an employee requests intermittent leave to care for a seriously-ill family member or for the employee’s own serious health condition and the need for leave is foreseeable based on planned medical treatment, the District may temporarily transfer the employee to an available alternate position with equivalent pay and benefits. If the employee is qualified for the position and it better accommodates recurring periods of leave than the employee’s regular job.

7. For part-time employees and those who work variable hours, the family medical leave entitlement is calculated on a pro rata or proportional basis. Employees not eligible for medical benefits will receive leave only.

8. Upon returning from family medical leave, the employee is entitled to be restored to the same position that the employee held when the leave started or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.

9. An employee who plans to take family medical leave must provide the District with the written notice at least thirty (30) days in advance, unless the leave is not foreseeable, in which case the employee must notify the District as soon as possible.

   Employees should consult with their supervisor when giving notice regarding planned medical treatments and make reasonable efforts to schedule the leave so as to not unduly disrupt the District’s operations, subject to the approval of the health care provider.

   The District may require certification (and subsequent recertification to support continuing leave) for medical leave and may require the employee to obtain a second medical opinion at the District’s expense. The District may also require periodic reports from an employee on family medical leave regarding the employee’s status and intent to return to work.

10. The District may require instructional employees who request intermittent (or reduced) leave for planned medical treatment for more than 20 percent of the total number of days in the period during which the leave would be used to elect to:
a. take leave for a particular duration of time which is not greater than the duration of the planned treatment, or  

b. be transferred to an alternative position.

Instructional employees who request a period of leave near the end of an academic term may be required to continue taking leave until the end of the term.

SEA Building Representative          Date          Building Principal

Date
The language from the 2016-2019 Collective Bargaining Agreement shall remain in effect until the implementation of SEBB on January 1 of 2020. The long language is as follows:

Benefits shall be bargained by the parties. The Employee Benefits Communication Committee (EBCC) shall exist to make recommendations to the parties for the purpose of bargaining.

1. The EBCC shall meet monthly during the school year to: review benefit options, prepare the request for proposal (RFP) for benefit contracts, and make recommendations to the parties. Meetings may be cancelled upon mutual agreement due to lack of agenda items.

2. The SEA president shall appoint members to the EBCC as representatives of the Association. This is a joint committee.

3. EBCC will consider benefit renewals based on the District’s competitive process for procurement of employee benefit plans. The District will adhere to normal purchasing policies and procedures for the solicitation, evaluation and selection of employee benefit plans.

4. The EBCC shall recommend the benefit renewals to the District and the Association each year by June 1. Recommendations of current plan, but with only premium or provider pool directed changes, may not require bargaining by the parties. The parties may agree to adjust these dates if rate information is not available by June 1.

B. The District and the Association shall agree to a “Schedule of Benefits” by September 1 of each year. In the event the parties are unable to reach agreement on the “Schedule of Benefits” by September 1, the District will continue implementing the previously agreed to schedule of benefits and implement new recommendations for the following year. The “Schedule of Benefits” shall include the following:

1. Plan offerings;

2. Identification of a benchmark benefit plan as the medical plan with the richest benefits;

3. A minimum mandatory payroll deduction for participation in an employer sponsored health benefit plan in the amount of $10.

   a. The district will establish a Health Savings Account (HSA) for any employee electing to participate in the HDHP.
b. Employees shall be allowed to contribute to the HSA through payroll deduction.

5. A premium cost-sharing plan comparable to state employees for the most recent benefit plan year.

C. The District will notify employees of the “Schedule of Benefits” and provide an open enrollment period during November, for no less than thirty (30) calendar days, of each year to allow employees to modify their benefit plan selection for the ensuing benefit plan year.

D. The District will provide toward the employee health insurance benefits program the full amount of state appropriation per month per 1.0 full-time employee (FTE), prorated to the FTE benefit calculation.

1. The District contribution towards employee insurance benefits will be applied toward benefits in this order: basic life insurance at the group rate; long-term disability, vision, and dental insurance; and a District sponsored medical plan if selected by the employee from the agreed-upon “Schedule of Benefits” at the TIERED rate.

2. The payroll deduction schedule will reflect higher monthly premiums for the “richest” medical plan and a premium cost-sharing plan comparable to state employees for the most recent benefit plan year.

3. For purposes of this section, “richest” medical plan is determined by the full price of the medical plan.

E. Eligibility. Employees who work at least half time or more in a regular position are eligible to participate in District sponsored benefit plans.

1. The District will use 1440 (Note: Adjusted by bargaining unit) hours for 1.0 FTE for the calculation of basic health benefits.

2. The benefit FTE calculation is (number of days worked x hours) divided by 1440 equals the monthly benefit FTE percentage.

F. An eligible employee and qualifying dependents must enroll within thirty (30) calendar days of the date when first eligible to qualify for employee benefits.

1. If an employee has a change in family or employment status outside the annual open enrollment period, changes may be requested by completing the required paper work within thirty (30) calendar days of the qualifying event. Sixty (60) calendar days are allowed for births and adoptions.

2. Acceptance and approval of the changes made by an employee are subject to the terms and conditions of the master contract and plan description of the insurance carrier or the IRS rules and regulations.
G. The District will also pay the monthly cost per FTE billed by the state for retirees' health benefits.

H. Any additional District contributions during the life of this Agreement will be provided as a result of new legislation and/or modification of the state operating budget which authorizes and funds such improvement in the District contribution. Furthermore, benefits provided will be in accordance with state and federal rules and regulations. Sections that may prove to be out of compliance or may be amended or nullified by state or federal laws will be brought into compliance with the laws, rules, and regulations in effect. Compliance required will be communicated to the Association.

I. Fringe benefit pooling practices will be in accordance with RCWs.
   1. The District shall annually transfer the minimum mandatory payroll deductions collected from employees to the benefit pool to reduce employee out-of-pocket costs.

J. Employees shall have access to flexible benefits plan (under Section 125 of the IRS Code) for District designated benefits for all employees who qualify for health benefits.

K. Employees will have access to purchase district-sponsored optional insurance benefits payable through the payroll deduction plan.

L. The District shall provide automatic payroll deduction for health club fees at the employee’s option.

M. COBRA continued coverage and other extended coverage will be extended to all eligible employees as required by law, and/or carrier limitations.

N. In accordance with state and federal law, employees have the opportunity to participate in making VEBA contributions based on the outcome of the employee group votes conducted by the Association. VEBA funding options include: sick leave cash out at retirement, and annual sick leave sell back. If one (1) or more options are adopted by the employee group votes, all eligible employees in the group must participate. The Association will annually notify the District by November 15th of participation in the VEBA plan and the approved employee funding options. The Association’s written notification to the District will constitute agreement of the parties for implementation of VEBA contributions for the next calendar year. The election results remain in place for the entire calendar year.

O. Tax sheltered annuity and Washington State Deferred Compensation deposits shall be transferred by payday each month. Every employee participating in an annuity or the state’s deferred compensation program will be provided notice of the date of transfer of their tax-sheltered annuity.

Topics to be covered at this meeting shall include, but not be limited to, the process for applying for one of the positions, an explanation of how pay is spread out over 12 months, vacation, how moving to a 10-month position may impact retirement and benefits, the 10-month calendar, as well as the expectations of accepting a 10-month position. At such a meeting, the District shall also explain how and when employees shall close cases and/or transition them to a colleague who is working during the summer.

After the meeting, the District shall offer the 10-month option to all current Family Mental Health Therapists. Employees shall be able to submit their names via email to Katie Ridenhour for consideration, no later than 5 working days following the meeting. If more employees request to be reassigned to a 10-month position, than the number of positions available, seniority shall be used to determine who shall get the positions. No employee will be forced to take a 10-month position.

Anyone who requests to go to a 10-month position shall be officially resigning from their 12-month position. By resigning the employee would not lose existing seniority. Employees selected for a 10-month position will also be provided an offer letter in which they will need to sign in order to officially accept a 10-month position. If an employee wishes to return to a 12-month position they may apply to a 12-month position when a vacancy arises, consistent with the assignment and transfer provisions of the Collective Bargaining Agreement.
**Working Conditions**

The work year for the new 10-month positions shall begin six (6) days prior to the start of the student year and shall end two (2) days after the last day of school for students.

Non-twelve-month employee vacation leave language shall apply to these new positions (page 103 of the current contract).

10-month Mental Health Therapists shall be eligible for the non-twelve-month stipend (page 109).

Only one job title shall exist; therefore, only one seniority list would be maintained.

For the purposes of reassignment, an employee’s work year will not be impacted through the reassignment process.

**Transition of Students for the Summer and Summer Work**

All Mental Health Therapists will work to close or “pause” cases by the end of the school year. This may include any “transfer up” students going to a new level of education (elementary to middle or middle to high school).

By the end of April, Mental Health Therapists and Supervisors will review caseload and collaboratively develop a plan to manage the caseload over the summer. A summer transition plan with expectations will be shared.

By May 15, Supervisors shall assign student summer caseloads from the 10-month therapists to 12-month therapists. Decisions regarding reassignment of caseload shall not be made in an arbitrary, capricious or retaliatory manner. When reassigning clients, the following factors shall be considered:

- Travel time, school location and proximity
- Experience with the client population
- Experience with client age range
- Severity, intensity and frequency of symptom expression
- 12-month therapist’s caseload
- Equity in caseload

If a 12-month therapist has concerns with their summer caseload/workload, they will bring the concern to their Supervisor or the Program Director, if the Supervisor is not available.

In May, at a regularly scheduled Mental Health Therapist meeting, therapists shall be provided an opportunity to meet to discuss cases that are being transferred to a different therapist.

During the summer, 12-month therapists shall have access to 10-month therapist’s neighborhood school and office to facilitate services for the students they are serving during the summer months. 12-month therapists shall maintain their original supervisor for their entire caseload in the summer.

For services during the summer months, the service plan and staffing will determine the modality(s) of service (i.e. Individual, group, family sessions).

The District and the Association agree to this language for the 2019-20 school year, unless both parties mutually agree to amend this MOU.
