SPOKANE HUTCHISON MEMORIAL SCHOLARSHIP

The SPOKANE HUTCHISON MEMORIAL SCHOLARSHIP was established by the Spokane Education Association to encourage continuing education pursuits by both certificated and Education Support Professionals (ESP)/classified members. One recipient will be chosen to receive a \$1,000 award to apply to tuition and expenses related to continuing education.

The SPOKANE HUTCHISON MEMORIAL SCHOLARSHIP is so-named to honor longtime Spokane classroom teacher, Spokane Hutchison who taught at Lewis and Clark High School. Spokane Hutchison has been described as having a sense of humor, charisma, creativity, flexibility, wit and intelligence. She is credited with an unusual love of life, subject matter, people, students and her family. Additionally, she is remembered as being a bit of a “ham,” a teacher who made everyone feel special, who stood strong for beliefs and principles, and involved herself in school and community activities.

The SPOKANE HUTCHISON MEMORIAL SCHOLARSHIP award is to recognize and encourage outstanding current Spokane Education Association members who are currently pursuing or preparing to pursue any relevant form of education.
