As public employees every aspect of our work is political. Our curriculum, our funding, our salaries, our resources, so much is determined by local and state governments.

This year the legislature approved a 5.5% COLA adjustment after pressure from WEA. Our union bargained that into our salaries. That's an increase that ALL our members will see this year, earned through union efforts!

Join WEAPAC today so to keep electing pro-education, pro-union politicians and ensure our school communities have the support and benefits we need. Join and learn more by scanning the code.
