At this time, the Cohort Support Program by Spokane Education Association is only open to members of the Washington Education Association. This program is led by union members for the benefit of union members.

How to pay

SEA accepts cash or check. Checks can be made out to "SEA." Sorry, **we cannot run a credit or debit card.**

Please be prepared to pay via cash or check at the Kick-Off in October. If you prefer, you may pay for Component 1 at the same time, but no later than the start of the Component 1 workshop. Online bill-pay or cashier's checks through your bank/credit union or money orders are also good options. Please contact Amy Poston to make arrangements or for more information.

Clock hours

Clock hours are available at no cost. Please be sure to sign-in when prompted for all events and meetings to earn clock hours and be sure to register on WEA's PD Network when requested by your facilitator and/or the SEA office.

**Please note that the fee schedule listed is for cohort support only – the assessment fee for completing and submitting the four Components of the National Board process can be found at: <http://www.nbpts.org/national-board-certification/candidate-center/candidate-faqs/>*
